Subpart D—Goals, Good Faith Efforts, and Counting

§ 23.41 What is the basic overall goal requirement for recipients?

(a) If you are a recipient who must implement an ACDBE program, you must, except as provided in paragraph (b) of this section, establish two separate overall ACDBE goals. The first is for car rentals; the second is for concessions other than car rentals.

(b) If your annual car rental concession revenues, averaged over the three years preceding the date on which you are required to submit overall goals, do not exceed \$200,000, you are not required to submit a car rental overall goal. If your annual revenues for concessions other than car rentals, averaged over the three years preceding the date on which you are required to submit overall goals, do not exceed \$200,000, you are not required to submit a non-car rental overall goal.

(c) Each overall goal must cover a three-year period. You must review your goals annually to make sure they continue to fit your circumstances appropriately. You must report to the

FAA any significant adjustments that you make to your goal in the time before your next scheduled submission.

(d) Your goals established under this part must provide for participation by all certified ACDBEs and may not be subdivided into group-specific goals.

(e) If you fail to establish and implement goals as provided in this section, you are not in compliance with this part. If you establish and implement goals in a way different from that provided in this part, you are not in compliance with this part. If you fail to comply with this requirement, you are not eligible to receive FAA financial assistance.

§ 23.43 What are the consultation requirements in the development of recipients' overall goals?

(a) As a recipient, you must consult with stakeholders before submitting your overall goals to FAA.

(b) Stakeholders with whom you must consult include, but are not limited to, minority and women's business groups, community organizations, trade associations representing concessionaires currently located at the airport, as well as existing concessionaires themselves, and other officials or organizations which could be expected to have information concerning the availability of disadvantaged businesses, the effects of discrimination on opportunities for ACDBEs, and the recipient's efforts to increase participation of ACDBEs.

§ 23.45 What are the requirements for submitting overall goal information to the FAA?

(a) You must submit your overall goals to the appropriate FAA Regional Civil Rights Office for approval. Your first set of overall goals meeting the requirements of this subpart are due on the following schedule:

(1) If you are a large or medium hub primary airport on April 21, 2005, by January 1, 2006. You must make your next submissions by October 1, 2008.
